Hurrying, sticklike figures black against the blaze shoveled and reshoveled ore onto logs kept in a roaring blaze by great bellows, while others brought fresh logs and worked the bellows sleeves. From the apex of the dome a spiral of chambers rose up into the tower through smoke and fumes. In those chambers, Licky had told him, the vapor of the quicksilver was trapped and condensed, reheated and recondensed, till in the topmost vault the pure metal ran down into a stone trough or bowl--only a drop or two a day, he said, from the low-grade ores they were roasting now.. "So when the Windkey returned, we were nine again. But divided. For the Summoner said we must meet again and choose an Archmage. The king had had no place among us, he said. And "a woman on Gont", whoever she may be, has no place among the men on Roke. Eh? The Windkey, the Chanter, the Changer, the Hand, say he is right. "When did a woman last ask to enter the School?"..Maybe it was to escape the hunt that Medra came to Pendor, a long way west of the Inmost Sea, or maybe some rumor among the women of the Hand on Hosk sent him there. Pendor was a rich island, then, before the dragon Yevaud despoiled it. Wherever Medra had gone until then, he had found the lands like Havnor or worse, sunk in warfare, raids, and piracy, the fields full of weeds, the towns full of thieves. Maybe he thought, at first, that on Pendor he had found Morred's Isle, for the city was beautiful and peaceful and the people prosperous..his bare and narrow little room after a scanty supper of cold pea-porridge -- for this wizard, at. He was glad to send his wizard along as bodyguard, for the wine was valuable, and though the young king was putting things to rights as fast as he could, there were still gangs of robbers on the roads. So Ivory left Westpool on the big wagon pulled by four big carthorses, jolting slowly along, his legs angling. Down by Jackass Hill an uncouth figure rose up from the wayside and asked the carter for a lift. "I don't know you," the carter said, lifting his whip to warn the stranger off, but Ivory came round the wagon and said, "Let the lad ride, my good man.
