Golden was earnest, seeing his chance to begin to wean the lad from his mother. She as a woman would cling, but he as a man must learn to let go. And Diamond nodded sturdily enough to satisfy his father, though he had a thoughtful look.. "Waris and several other men. And they are men, and they make that important beyond anything else. To them, the Old Powers are abominable. And women's powers are suspect, because they suppose them all connected with the Old Powers. As if those Powers were to be controlled or used by any mortal soul! But they put men where we put the world. And so they hold that a true wizard must be a man. And celibate.. "You have a gift for the business," Crow said. "You know where to look. Went straight to that bestiary in the barn loft... But there's nothing much to look for here. Nothing of importance. He stared around."Why did you come here, Teriel?".He had half-consciously dreaded that Diamond would triumph over him, asserting his power right..Tern left late that year on his journey. He had with him a boy of fifteen, Mote, a promising weatherworker who needed training at sea, and Sava, a woman of sixty who had come to Roke with him seven or eight years before. Sava had been one of the women of the Hand on the isle of Ark. Though she had no wizardly gifts at all, she knew so well how to get a group of people to trust one another and work together that she was honored as a wise woman on Ark, and now on Roke. She had asked Tern to take her to see her family, mother and sister and two sons; he would leave Mote with her and bring them back to Roke when he returned. So they set off northeast across the Inmost Sea in the summer weather, and Tern told Mote to put a bit of magewind into their sail, so that they would be sure to reach Ark before the Long Dance..That was where Hound found him, miles away from the valley, west of Samory, on the edge of the.the bodies of his men till they "living, seemed the black thirst-dead of the desert." "Here he is," said Azver, and the Doorkeeper was there, his smooth, yellowish-brown face tranquil. been the centre of the domain was half in ruins on its hill among the oaks. Diamond thought his father meant the business -- the loggers, the sawyers, the sawmill, the chestnut groves, the pickers, the carters, the carts -- all that work and talk and planning, complicated, adult matters. He never felt that it had much to do with him, so how was he to have as much to do with it as his father expected? Maybe he'd find out when he grew up.
