"Still, it got you picked for this mission out of hundreds of applicants. The thinking was that you'd be a wild card, a man of action with proven survivability. Maybe it worked out. But the other thing I remember on your card was that you're not a leader. No, that you're a loner who'll cooperate with a group and be no discipline problem, but you work better alone. Want to strike out on your own?" "Good," said Amos. "So one third of your magic mirror has been found. Tomorrow evening I go off. There was also a carbon copy of the story he'd just finished. The return address on the first page was a box number at the Hollywood post office. The title of the story was "Deathsong." I wished I'd had time to read it. Half an hour later the curtains over the barred open window moved. I had squatted down in the. it is, but it struck a chord in my soul. Soul," she mused. "Maybe that's it. He wears his soul on his face." and came striding out to the car all legs and healthy golden flesh. She was wearing white shorts, sneakers, of the chairs.. stood there, his eyes vacant, trembling. Barry nodded at the tattoo-"conflict with your having this particular job? Aren't you part of the U. S. Government yourself?". butterflies glisten on the rims of pink marble fountains, and the only thing white in it is a silver-white. "Oh, awful things," said Amos, "like onvbpmf, and elmbmpf, and orghmflbfe." "Fifteen," she countered.. and the other was in jail. Ah, machismo!. "He must have been talking about the Detwefler boy," she said, frowning. "Harry's been kinda friendly with him, felt sorry for him, I guess." "No, no, no, no." The nice thing about guilt is that it's so easy to repress. Within a day Barry had relegated all. There's never before been a stim star the magnitude of Jain Snow. Yet somehow the concert tonight fails. Somewhere the chemistry goes wrong. The faces out there are as always? yet somehow they are not involved. They care, but not enough.. has been defiled." "Be quiet and help me," said the thin grey man, "or I shall put you in the trunk with my nearest and. That's what got me the job with Alpertron, Ltd., die big promotion and booking agency. I'm on the concert tour and work their stim board, me and my console over there on the side of the stage. It isn't that much different in principle from playing one of the instruments in the backup band, though it's a hetL of a lot more complex than even Nagami's synthesizer. It all sounds simple enough: my console is the critical link between performer and audience. Just one glorified feedback transceiver: pick up the empathic load from Jain, pipe it into the audience, they react and add their own load, and I feed it all back to the star. And then around again as I use the sixty stim tracks, each with separate controls to balance and augment and intensify. It can get pretty hairy, which is why not just anyone can do the job. It helps that I seem to have a natural resistance to the sideband stopover radiation from the empathic transmissions. "Ever think of teaching?" said the school voc counselor. "No," I said. "I want the action." to blows with Lang, aided by McKillian. McKillian renounced men forever and had a brief, tempestuous. Caution, an old habit, claimed him. He circled the clearing, never once
