"Because Mrs. Bushyager thinks she's shackled up somewhere with Mr. Bushyager. She'd like you to call her tonight". "The gate's going to be a lot bigger than last night," Jain had said. "Can you handle it?". From Competition 18: "I certainly would," said Jack. "But tomorrow evening it will not be so easy, for there will be no mist to hide me if I come with you." In the first place, only minimal flooding has occurred since the Inundation; in the second, it's highly unlikely that Yahweh will again choose that particular form of chastisement should future foul-ups on the part of the human race necessitate additional punishment; and in the third, if he does decide on a second Inundation, you can rest assured that it will be of such dimensions that the only thing the Project win be a haven for will be fish.
