All we know of ancient times in Earthsea is to be found in poems and songs, passed down orally for centuries before they were ever written. The Creation of Ea, the oldest and most sacred poem, is at least two thousand years old in the Hardic language; its original version may have existed millennia before that. Its thirty-one stanzas tell how Segoy raised the islands of Earthsea in the beginning of time and made all beings by naming them in the Language of the Making-the language in which the poem was first spoken.. Highdrake's mastery of spells and sorcery was not much greater than his pupil's, but he had clear in his mind the idea of something very much greater, the wholeness of knowledge.
